Our Morning Meeting

October 1, 2012

Important Dates

Friday, Oct. 5th

Half-Day, early release @
11:00 a.m.

Mon., Oct. 8th

No School

Tues., Oct. 9th

Parent Meeting 6:00 pm

Fri., Oct. 15th-19th

College Week

UPDATES FROM THE TEACHER

Dear 224 Families,

We have had a busy first few weeks back! Students are working hard to learn new routines and master transitions. This will continue to be an important goal for us throughout the year.

In **Math**, our focus is learning place value from decimals through the billions period. We will be working on rounding, estimation, and basic operations with decimals in the upcoming weeks.

In **ELA** we are reading stories within the theme "Look Inside." Some of our focus skills include narrative elements, point of view, making judgments and more. We

are also practicing strategies such as understanding text structure, learning prefixes, word roots and suffixes. Students took their first ANET this past Wednesday.

In **Science**, we are learning about States of Matter. We will continue on this topic, and begin to explore forms of energy, such as electricity in the near future.

Please make sure to sign and return all BRCPS documents such as the Family Handbook.

You may visit our **class website**: www.msccorrentishomeroom.weebly.com to see more updates, photos and homework assignments. Thanks!
